INTRODUCTION:

We are providing complete solution for Engineering Industries

Experience of last 15 years in development of Moulds, Dies for precisions parts of rubber and plastics (Pvdf, Pu, Pvc, Abs, delrin, nylon, pc, pet, pp, taflon, ps, silicon, nitren and many more.), This is use in differential industries like aero space, Auto mobile, Mining, oil and Gas, Textile, Medical, Surgical, Agricultural, Mechanical, Household, Toys and Games, Furniture, Pharmaceutical, Electronics, Engineering and many more.

Apart of this we are also SIEMENS Solution Partner for Unigrahpic “NX” CAD CAM CAE expert Software Sales and Training.

Also we use same for our Manufacturing Setup.

A) MACHINERY WITH TECHNICAL SPECIFICATION :

- 1) Vertical Machining Center (Deckel Make 104V Linear) with Automatic tool changer, 12000 rpm, ‘X’ axis travel - 1050mm, ‘Y’ axis travel - 600mm, ‘Z’ axis travel - 600mm
- 2) Vertical Machining Center (LML make Vml-800 model) with Automatic arm type tool changer, 12000 rpm Setco spindle, ‘X’ axis travel - 805mm, ‘Y’ axis travel - 505mm, ‘Z’ axis travel - 505mm
- 3) vertical machining center (JYOTI make Vmc-640 model) with automatic arm type tool changer, 8000 rpm, ‘X’ axis travel – 640mm, ‘Y’ axis travel – 405mm, ‘Z’ axis travel – 500mm
- 4) Conventional milling with taping and drilling attachment size 80 dia facing, 25mm taping and 32mm drilling capacity.
- 5) Conventional Drilling machine capacity of drill 32mm, tape 16mm.
- 6) Conventional Lathe between center 5feet and turn over dia 20inch.
- 7) Bench grinding machine.
- 8) 3D Printer for direct plastic produce 240 x 150 x150mm.

B) INSTRUMENT LIST:

TOOL PRE SETTER (check height & diameter of tool to set accurately for accurate sized job out put upon cnc machine.)

0.02mm to 1000mm of vernier caliper make of Mitutoyo.

0.01mm to 250mm of micro meter make of Mitutoyo.

6mm to 200mm set of bore gauges make of Mitutoyo.

Slip gauges set 83pcs from 0.5mm to 150mm make of links.

0.02mm to 500mm Height gauges sets

Combination set, bevel gauge, surface plate 400mm x 400mm

Feeler gauges, thread gauges, precisions magnetic v blocks etc.

Projects

Mould and die manufacturing.

Precisions plastic and Rubber products Development.

Jigs and Fixture Manufacturing.

Designing of Moulds, Dies, Jigs, Fixtures and Engineering component.

CNC Tools Sales and Supports.

Some of our Leading Business Partners list is mention below:

- **Larsen and Toubro Ltd.**
- **Vectus Industries LTD.**
- **Sheth and Company.**
- **General Plastic Kenya.**
- **Shalimar Plastic UAE.**
- **Rising Star Trading Company UAE.**
- **Pidilite Industries.**
- **D P Polyer.**
- **Ruda Containors.**
- **CPS Oil and Gas Equipment Pvt. Ltd.**
- **Godrej and Boyce Ltd.**
- **Mahindra & Mahindra Ltd.**
- **MAN Diesel & Turbo India Limited.**
- **Eagle Burgmann India Pvt. Ltd.**
- **Anmol Toys Pvt. Ltd.**
- **Super Proof Enginnering Pvt. Ltd.**
- **Seal matic Pvt. Ltd.**
- **And many more.**
